

WHAT IS CWJC?

CWJC is more than just a program for women. It is a unique way of helping women discover their potential -- women who want more out of life than just a job. Good self-esteem, learning how to relate to family and peers, discovering and developing skills for a good job -- these are just some of the many benefits for women who become participants in CWJC.

NEED A CHANGE?

CWJC seeks to equip women in a Christian context for life and employment. Through more than 200 certified sites across the nation, thousands of women each year gain self-confidence, purpose, direction, and hope for their future. CWJC ministries are bringing hope to women through Bible Study, one-on-one mentoring, new life skills and job readiness preparation.

Christian Women's Job Corps® of Lee County was launched in the spring of 2007. Since that time, we have ministered to dozens of women, many of whom are now employed and on their own.

We offer two sessions per year (spring & fall). CWJC is open to any woman, regardless of her religious background, who desires the necessary skills and encouragement to achieve success in self-sufficiency.

We offer our participants Training through eight weeks (Monday - Friday, 8:00 am - 3:00 pm) of intensive courses in Life Skills and Job Readiness.

Mentoring – a friend that will walk alongside as an encourager, prayer partner, sister-in-Christ for a six month period.

Networking through our contacts with area churches, agencies and programs to provide a comprehensive approach to meeting their individual needs such as childcare, housing, health, transportation and job training.

"I came to this program with a little light, hope, and confidence in myself. I was unable to find out what I wanted to do with my life. I wondered what was stopping me from achieving my goals in life. CWJC helped me to answer all those questions. I have hope now through God and this program. I see a bright light now. It shines brighter than the sun! My confidence has grown since I have been in the program."

"I am now ready for the workforce. I have all the skills that I need to be successful in obtaining work and to have a happy and healthy lifestyle."

"I feel like a butterfly. I have been renewed from the inside out. I am beautiful and God loves me."

"All in all, CWJC widened my horizons and helped me realize that I'm not a loser in the eyes of God, and that I can achieve in this world- even at my age! CWJC has also helped me in my spiritual journey, which is still ongoing. But thanks to these wonderful, Godly women, I now have a much better perspective on life and God."
